

# LIVING HISTORY DAYS 2014

A Year-Long Celebration of the History, Traditions & Life of the Ethnic Germans

Do you see the man standing in the distant fields? His hat upon his head keeps out the hot sun as he toils in those fields, his fields. There is sweat upon his brow and a satisfied smile on his face after a hard and happy day's work. The wind blows by him in his beautiful homeland. A land he traveled for; a land he and his sons work on everyday. Do you hear his laughter as he looks upon the beautiful face of his wife and daughters as he arrives home?
